

SUMMARY: The Applicant was discharged on January 30, 2024 in accordance with Department of the Air Force Instruction 36-3211, Military Separations, with an Uncharacterized / Entry Level Separation Service Characterization for Fraudulent Entry. The Applicant appealed for an upgrade of their Service Characterization, a change to the Narrative Reason for separation, and a change to the Reentry Code.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on 14 August 2025. The Applicant was represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant requested an upgrade to their discharge characterization. Through counsel, they argued the discharge was improper and inequitable, claiming they were not informed of the potential negative consequences. With this knowledge the Applicant contends they would have fought harder to stay in the military. The Applicant's ultimate goal is to rejoin the Army if the upgrade is granted.

The Applicant during technical school, admitted to illegal substance usage before enlistment. This led to a review revealing this information was not known to their recruiter during the time of enlistment. A record review indicated the Applicant completed the AF Form 2030 and certified that they did not use or experiment with illegal drugs and did not make mention of any drug use in their medical documents and/or during their medical interview. As a result, their enlistment was deemed fraudulent, and they were discharged. The Board found the negative aspects of the Applicant's lack of candor outweighed the positive aspects of their military service therefore it was determined to deny the request to grant relief.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

FINDING AND CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. The DRB voted unanimously to **deny** the Applicant's request. Therefore, the awarded Service Characterization shall remain "Uncharacterized / Entry Level Separation," the

Narrative Reason for separation shall remain Fraudulent Entry, and the Reentry Code shall remain 2G. The DRB results were approved by the Presiding Officer on August 19, 2025.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
