

**SUMMARY:** The Applicant was discharged on April 26, 2016 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Under Honorable Conditions (General) Service Characterization for Misconduct (Minor Infractions). The Applicant appealed for an upgrade of their Service Characterization, a change to the Narrative Reason for separation, and a change to the Reentry Code.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on August 21, 2025. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

**DISCUSSION:** The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:  
-Article 15 (3) for underage drinking

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Counsel on behalf of the Applicant stated if the Applicant had been given a full and fair opportunity to obtain meaningful treatment for their alcohol use, they would have achieved full rehabilitation. In addition, the Counsel stated the Applicant's post-service conduct has been exemplary and they have continued to serve the country in a civilian capacity in hostile-fire areas. They assert aside from their minor infractions in the Air Force, the Applicant has never been accused of misconduct.

The DRB determined was improper. A review of the Applicant's records revealed they received three Article 15's for possessing and consuming alcohol under the age of 21. However, there was no record of the Applicant being referred to Alcohol and Drug Abuse Prevention and Treatment (ADAPT) which was improper due to the repeated offense of alcohol abuse. In addition, it has nine years since the Applicant's discharge. Given these circumstances, the Board partially approved the Applicant's request.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum.

**FINDING AND CONCLUSION:** After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was improper. The DRB voted unanimously to ***partially approve*** the Applicant's request. Therefore, the awarded Service Characterization shall change to "Honorable," the Narrative Reason for separation shall remain Misconduct (Minor Infractions), and the Reentry Code shall change to 3K. The DRB results were approved by the Presiding Officer on August 25, 2025.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
