

**SUMMARY:** The Applicant was discharged on December 10, 2021 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Uncharacterized / Entry Level Separation Service Characterization for Fraudulent Entry (Drug Abuse). The Applicant appealed for a change to the Narrative Reason for separation and a change to the Reentry Code.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on September 18, 2025. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

**DISCUSSION:** The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service did not include any documented misconduct leading up to their discharge.

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant stated they believe their request should be granted due to them not having a history of drug abuse and strongly believe they would be a great asset to the military. They stated their instructors and squadron commander provided LORs supporting their retention in the Air Force.

The DRB determined the Applicant's discharge was proper and equitable. A review of administrative records revealed the Applicant was discharged for failing to disclose prior use of marijuana and LSD (acid) to their recruiter before signing the AF Form 2030. The letters of recommendation mentioned by the Applicant were taken into consideration by the separation authority. Because prior LSD use is an automatic disqualifier for military service, the Board denied the applicant's request to upgrade the narrative reason for separation and reentry code.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

**FINDING AND CONCLUSION:** After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. The DRB voted unanimously to **deny** the Applicant's request. Therefore, the awarded Service Characterization shall remain "Uncharacterized / Entry Level Separation," the

Narrative Reason for separation shall remain Fraudulent Entry (Drug Abuse), and the Reentry Code shall remain 2G. The DRB results were approved by the Presiding Officer on September 19, 2025.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
