

SUMMARY: The Applicant was discharged on May 20, 2015 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Under Honorable Conditions (General) Service Characterization for Misconduct – (Drug Abuse). The Applicant appealed for an upgrade of their Service Characterization.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on September 30, 2025. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:
-Article 15 for wrongful use of marijuana

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant stated the discharge was inequitable due to a singular event that took place throughout their military career. They stated they received top ASVAB scores and graduated at the top of their BMT class as an Honor graduate.

The Discharge Review Board (DRB) upheld the discharge as proper and equitable. The administrative records showed the Applicant was arrested for driving under the influence of alcohol while under the age of 21. Subsequently, the Applicant was referred to the Air Force Alcohol and Drug Abuse Prevention and Treatment (ADAPT) program. During their initial ADAPT meeting, the Applicant tested positive for THC, which ultimately led to their discharge. The DRB acknowledged the Applicant's two years of service prior to the discharge proceedings. However, the Board concluded that the seriousness of the Applicant's willful misconduct outweighed the positive aspects of their service. Consequently, the Board denied the request to change the service characterization. Nevertheless, the Board encouraged the Applicant to submit substantial evidence of post-service achievements to support any future requests for relief.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

FINDING AND CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. The DRB voted unanimously to **deny** the Applicant's request. Therefore, the awarded Service Characterization shall remain Under Honorable Conditions (General), the Narrative Reason for separation shall remain Misconduct – (Drug Abuse), and the Reentry Code shall remain 2B. The DRB results were approved by the Presiding Officer on October 3, 2025.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
