

**SUMMARY:** The Applicant was discharged on November 10, 2022 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Uncharacterized / Entry Level Separation Service Characterization for Erroneous Entry. The Applicant appealed for a change to the Reentry Code.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on September 30, 2025. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

**DISCUSSION:** The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service did not include any documented misconduct leading up to their discharge.

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant does not make any contentions of impropriety or inequity. Instead, they state they were instructed by their recruiter to reach out for a reentry code change before they would be allowed to reenlist.

The Discharge Review Board (DRB) concluded that the Applicant's discharge was proper. Records indicate the Applicant sought mental health services during basic training; reporting distress and symptoms of depression and anxiety related to the military environment. These conditions disqualified the Applicant from continued service, and a waiver to remain on Active Duty was denied. However, recent changes in recruiting and accessions policy are in support of changing the reentry code, offering the Applicant a second chance at military service. Consequently, the DRB approved a change to the Applicant's reentry code.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a) -(6)(l) and (7)(a) -(7)(r) of this memorandum.

**FINDING AND CONCLUSION:** After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper. The DRB voted unanimously to *approve* the Applicant's request. Therefore, the awarded Service Characterization shall remain "Uncharacterized / Entry Level Separation," the Narrative Reason for separation shall remain Erroneous Entry, and the Reentry Code shall change to 3K. The DRB results were approved by the Presiding Officer on October 3, 2025.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
