

SUMMARY: The Applicant was discharged on March 29, 2022 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Under Honorable Conditions (General) Service Characterization for Misconduct – (Drug Abuse). The Applicant appealed for an upgrade of their Service Characterization.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on November 13, 2025. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:

- Article 15 for wrongful use of Delta-8 THC
- Letter of Reprimand for visiting an off-limits establishment multiple time

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant stated that personal circumstances, not properly addressed during their service, contributed to their discharge. While acknowledging the discharge was justified, they requested the Board consider upgrading their service characterization to facilitate access to educational benefits as part of their commitment to self-improvement.

The DRB upheld the original discharge as proper and equitable. The administrative record shows the Applicant received an Article 15, resulting in a reduction in grade, for the wrongful use of Delta-8 THC which formed the basis for the discharge. In response to the Article 15, the Applicant admitted to using Delta-8, stating they were struggling with personal circumstances and that counseling had not been helpful. The Board acknowledges the current service characterization makes the Applicant ineligible for Department of Veteran Affairs education benefits. However, the Board determined that neither inequity nor impropriety existed to warrant an upgrade, and the Applicant presented no compelling evidence to support such a change. Consequently, the request to upgrade the service characterization was denied.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the Wilkie Memo. The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

FINDING AND CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. The DRB voted unanimously to **deny** the Applicant's request. Therefore, the awarded Service Characterization shall remain Under Honorable Conditions (General), the Narrative Reason for separation shall remain Misconduct – (Drug Abuse), and the Reentry Code shall remain 2B. The DRB results were approved by the Presiding Officer on November 15, 2025.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
