

SUMMARY: The Applicant was discharged on February 2, 2025 in accordance with Department of the Air Force Instruction 36-3211, *Military Separations*, with an Under Honorable Conditions (General) Service Characterization for Misconduct (Civil Conviction). The Applicant appealed for an upgrade of their Service Characterization, a change to the Narrative Reason for separation, and a change to the Reentry Code.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on November 13, 2025. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:
-Letter of Reprimand for operating a vehicle under the influence of alcohol

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant argued that the incident leading to their discharge was a product of youthful indiscretion and that their intent was never to disrespect the host nation or dishonor the U.S. They stated they have learned valuable lessons and consistently make more responsible decisions.

The DRB determined the discharge was proper and equitable. The Applicant's administrative records revealed they were charged and convicted with driving under the influence and served with a fine by the host nation which was the basis for the discharge. The Applicant did not provide any evidence to support their request for an upgrade. The DRB recognized the Applicant was 22 years old when the discharge took place but noted they were no younger than the vast majority of first-term Airmen who properly adhere to Air Force standards of conduct. Consequently, the Board denied the Applicant's request for an upgrade of their Service Characterization, a change to the Narrative Reason for separation, and a change to the Reentry Code.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the Wilkie Memo. The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

FINDING AND CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found

the discharge was proper and equitable. The DRB voted unanimously to **deny** the Applicant's request. Therefore, the awarded Service Characterization shall remain Under Honorable Conditions (General), the Narrative Reason for separation shall remain Misconduct (Civil Conviction), and the Reentry Code shall remain 2B. The DRB results were approved by the Presiding Officer on November 15, 2025.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
