

SUMMARY: The Applicant was discharged on June 20, 2022 in accordance with Air Force Instruction 36-3208, Administrative Separation of Airmen, with an Under Honorable Conditions (General) Service Characterization for Misconduct (Minor Infractions). The Applicant appealed for an upgrade of their Service Characterization, a change to the Narrative Reason for separation, and a change to the Reentry Code.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on 02 March 2026. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:

- Art 15 – Shared offensive and inappropriate posts to Facebook
- LOR – Speeding on base
- LOR - Failed to properly operate multiple machines in their shop, resulting in damage to government property
- LOR – Failed to return to work on time after lunch break (x2)
- LOR – Failed to properly sign off tasks
- LOC - Failed dorm room inspection
- LOR – Operated vehicle in a dangerous manner
- LOR – Failed to report to work on time
- LOC – Arrived to work late and failed to properly wear uniform
- Vacation of NJP – Failed to report to work on time; failed to follow proper procedures for inspecting and signing off vehicles for foreign object debris
- Article 15 – Failed to register moped before operating it on a public highway or vehicular area
- LOR – Operated moped after being verbally counseled about reasons it was not allowed

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant stated they were discharged for minor disciplinary infractions and small things like coming back late from lunch and skipping a step in assigned tasks. Since discharge, the Applicant states they have worked as an overnight X-Ray technician for almost two years and would like to pursue an engineering degree. They stated they have waited too long to fix something that can simply be fixed by asking, so they are asking the Board for a chance to correct their record and grant them another chance at their career as an officer.

The DRB determined that, through the administrative actions taken by the chain of command in this case, the Applicant had ample opportunities to change their negative behavior. It found the number of instances of the Applicant's willful misconduct offset the positive aspects of their service.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

FINDING AND CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. The DRB voted unanimously to **deny** the Applicant's request. Therefore, the awarded Service Characterization shall remain "Under Honorable Conditions (General)," the Narrative Reason for separation shall remain Misconduct (Minor Infractions), and the Reentry Code shall remain 2B. The DRB results were approved by the Presiding Officer on March 3, 2026.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
