

SUMMARY: The Applicant was discharged on February 5, 2013 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Honorable Service Characterization for Completion of Required Active Service. The Applicant appealed for a change to the Reentry Code.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on February 5, 2026. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:
-Article 15 for violation of HIPPA

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant stated their reentry code is incorrect due to the terms of their punishment expiring prior to their official date of discharge. They stated at the time of their separation they were not subject to any ongoing disciplinary actions or restrictions that would render them ineligible for reenlistment under Air Force policy.

The DRB determined that the Applicant's current reentry code is improper. A review of the Applicant's service record corroborated their contentions, and the Board found no documentation that would render the Applicant ineligible for reenlistment in the Air Force. Therefore, the Board has granted the request to change the reentry code.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

FINDING AND CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was improper. The DRB voted unanimously to **approve** the Applicant's request. Therefore, the awarded Service Characterization shall remain "Honorable," the Narrative Reason for separation shall remain Completion of Required Active Service, and the Reentry Code shall change to 1J. The DRB results were approved by the Presiding Officer on February 6, 2026.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
