

**SUMMARY:** The Applicant was discharged on September 18, 2024 in accordance with Department of the Air Force Instruction 36-3211, *Military Separations*, with an Under Honorable Conditions (General) Service Characterization for Misconduct (Minor Infractions). The Applicant appealed for an upgrade of their Service Characterization, a change to the Narrative Reason for separation, and a change to the Reentry Code.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on February 5, 2026. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

**DISCUSSION:** The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:

- Vacation on Punishment for inappropriate relationship with a fellow Airman's spouse
- Article 15 for failing to go at the prescribed time to appointed place of duty
- Letter of Reprimand for cheating on a test
- Letter of Reprimand for failing to complete monthly testing requirement
- Letter of Counseling for disobeying an order from an officer

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant stated they were young and had few disciplinary problems when they joined the Air Force. They state they have since fixed those problems and are better.

The DRB determined the discharge was proper and equitable. An administrative review revealed several adverse actions in the Applicant's service history. However, the DRB found no evidence of impropriety or inequity that would justify an upgrade. The Board acknowledges that the Applicant's current discharge status makes them ineligible for Department of Veteran Affairs (VA) education benefits. However, this ineligibility is not considered an injustice that would warrant a change to their service characterization. Furthermore, the Applicant did not provide any evidence to show they have addressed the conduct that originally led to their discharge. For these reasons, the Board has denied the Applicant's request to upgrade their Service Characterization, change the Narrative Reason for separation, and alter the Reentry Code.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie

Memo.” The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

**FINDING AND CONCLUSION:** After a thorough review of the available evidence, to include the Applicant’s issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. The DRB voted unanimously to *deny* the Applicant’s request. Therefore, the awarded Service Characterization shall remain “Under Honorable Conditions (General),” the Narrative Reason for separation shall remain Misconduct (Minor Infractions), and the Reentry Code shall remain 2B. The DRB results were approved by the Presiding Officer on February 5, 2026.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
