APPLICANT REQUESTS: correction of his DD Form 214 (Certificate of Release or Discharge from Active Duty) to award the Armed Forces Expeditionary Medal (AFEM) for his service in the Former Yugoslav Republic of Macedonia.

APPLICANT'S SUPPORTING DOCUMENT(S) CONSIDERED BY THE BOARD:  
DD Form 149 (Application for Correction of Military Record).

FACTS:

1. The applicant did not file within the 3-year time frame provided in Title 10, U.S. Code, section 1552(b); however, the Army Board for Correction of Military Records (ABCMR) conducted a substantive review of this case and determined it is in the interest of justice to excuse the applicant's failure to timely file.
2. The applicant states based on his previous time served in the Former Yugoslav Republic of Macedonia, Operation Able Sentry, he should be awarded the AFEM for addition to his service record. The award is warranted based on the deployment he experienced under United Nations Protection Force (UNPROFOR), while serving in conjunction with the United Nations (UN).
3. A review of the applicant's service record shows:
  - a. He enlisted in the Regular Army on 4 August 1992.
  - b. His DA Form 2-1 (Personnel Qualification Record) shows in Block 5 (Overseas Service) he served in Germany from 16 December 1992 through 23 November 1994.

- Joint Meritorious Unit Award
- National Defense Service Medal
- Army Service Ribbon
- Overseas Service Ribbon
- United Nations Medal
- Expert Marksmanship Qualification Badge with Grenade Bar

4. By regulation (AR 600-8-22), the Armed Forces Expeditionary Medal is authorized for qualifying service after 1 July 1958 in military operations within a specific geographic area during a specified time period. An individual, who was not engaged in actual combat or equally hazardous activity, must have been a bona fide member of a unit participating in, or be engaged in the direct support of, the operation for 30 consecutive or 60 nonconsecutive days provided this support involved entering the area of operations. Qualifying service for this award includes United States operations in direct support of the United Nations (UN).

#### BOARD DISCUSSION:

After reviewing the application, all supporting documents, and the evidence found within the military record, the Board found that relief was warranted. The Board carefully considered the applicant's record of service, documents submitted in support of the petition and executed a comprehensive review based on law, policy, and regulation. Upon review of the applicant's petition and available military records, the Board determined there was sufficient evidence, including his service in the Republic of Yugoslavia from 6 January 1994 to 23 June 1994 as evidenced by his United Nations Protection Force Certificate. Based on this, the Board granted relief to award the Armed Forces Expeditionary Medal.
