- The senior rater wrote in pertinent part "had one of the toughest, most demanding and thankless jobs during Operation Desert Storm."

BOARD DISCUSSION:

After reviewing the application, all supporting documents, and the evidence found within the military record, the Board found that relief was/was not warranted. The applicant’s contentions, the military record, and regulatory guidance were carefully considered. Based upon the information annotated on the Gulf War Deployment Roster and the information annotated on the officer’s OER’s, the Board concluded there was sufficient evidence to add her deployment during the Gulf War in Southwest Asia and associated awards to her DD Form 214.

Additionally, based upon the applicant’s record showing she completed a service tour in the country of Korea during a qualified period for the Korea Defense Service Medal, the Board recommended added that medal to her DD Form 214 as well.

BOARD VOTE:

BOARD DETERMINATION/RECOMMENDATION:

The Board determined the evidence presented is sufficient to warrant a recommendation for relief. As a result, the Board recommends that all Department of Army records of the individual concerned be corrected by amending the applicant's DD Form 214 by

- awarding and adding the Southwest Asia Service Medal with three bronze service stars;
- awarding and adding the Kuwait Liberation Medal from the Kingdom of Saudi Arabia;
- awarding and adding the Kuwait Liberation Medal from the Government of Kuwait
- awarding and adding the Korea Defense Service Medal;
add the comment in the REMARKS section of the applicant's DD Form 214 (Block 18): "Service in Saudi Arabia from 19910106 to 19910509".
