

ARMY BOARD FOR CORRECTION OF MILITARY RECORDS

RECORD OF PROCEEDINGS

IN THE CASE OF: [REDACTED]

BOARD DATE: 27 February 2025

DOCKET NUMBER: AR20240006493

APPLICANT REQUESTS: award of the Bronze Star Medal (BSM).

APPLICANT'S SUPPORTING DOCUMENT(S) CONSIDERED BY THE BOARD:

- DD Form 149 (Application for Correction of Military Record)
- DD Form 214 (Armed Forces of the United States Report of Transfer or Discharge)

FACTS:

1. The applicant did not file within the 3-year time frame provided in Title 10, U.S. Code, section 1552(b); however, the Army Board for Correction of Military Records (ABCMR) conducted a substantive review of this case and determined it is in the interest of justice to excuse the applicant's failure to timely file.
2. The applicant states while serving in Vietnam he was on three different fire support bases that were overrun by the North Vietnamese, and he was told by his commander he would receive the BSM. He only wants the medal if he is authorized the award.
3. The applicant was inducted into the Army of the United States on 25 March 1969, and he was awarded military occupational specialty 13B (Cannoneer).
4. His DA Form 20 (Enlisted Qualification Record) shows in:
 - a. Block 31 (Foreign Service), he served in the Republic of Vietnam from 25 January 1970 through 24 January 1971.
 - b. Item 41 (Awards and Decorations) of his DA Form 20 does not show award of the BSM.
5. On 15 December 1970, he was honorably released from active duty and was transferred to the United States Army Reserve. His DD Form 214 does not show award of the BSM.

6. A review of the Awards and Decorations Computer-Assisted Retrieval System (ADCARS), an index of general orders issued during the Vietnam-era between 1965 and 1973, maintained by the Military Awards Branch of the U.S. Army Human Resources Command, failed to reveal any orders for award of a BSM pertaining to the applicant.

BOARD DISCUSSION:

After reviewing the application, all supporting documents, and the evidence found within the military record, the Board found that relief was not warranted. The applicant's contentions, the military record, and regulatory guidance were carefully considered. The evidence of record shows the applicant served in Vietnam from 25 January 1970 through 24 January 1971. The Board found insufficient evidence to support the applicant was recommended for or formally awarded the Bronze Star Medal. Based on the foregoing, the Board denied relief.

BOARD VOTE:

<u>Mbr 1</u>	<u>Mbr 2</u>	<u>Mbr 3</u>	
:	:	:	GRANT FULL RELIEF
:	:	:	GRANT PARTIAL RELIEF
:	:	:	GRANT FORMAL HEARING
:XX	:XX	:XX	DENY APPLICATION

BOARD DETERMINATION/RECOMMENDATION:

The evidence presented does not demonstrate the existence of a probable error or injustice. Therefore, the Board determined the overall merits of this case are insufficient as a basis for correction of the records of the individual concerned.

CHAIRPERSON
Signed by:

I certify that herein is recorded the true and complete record of the proceedings of the Army Board for Correction of Military Records in this case.

REFERENCES:

1. Title 10, U.S. Code, section 1552(b), provides that applications for correction of military records must be filed within 3 years after discovery of the alleged error or injustice. This provision of law also allows the ABCMR to excuse an applicant's failure to timely file within the 3-year statute of limitations if the ABCMR determines it would be in the interest of justice to do so.
2. Army Regulation 600-8-22 states the BSM is awarded in time of war for heroism and for meritorious achievement or service, not involving participation in aerial flight, in connection with military operations against an armed enemy, or while engaged in military operations involving conflict with an opposing armed force in which the United States is not a belligerent party. As with all personal decorations, formal recommendations, approval through the chain of command, and announcement in orders are required.
