Discharge Review Board Discussion and Decision:

DISCUSSION:

The applicant received Non-Judicial punishment on three separate occasions for repeated unauthorized absences, disobedience to check with supervisors, damaging government property, inappropriate use of WSIII, unsanitary living habits, falling asleep on watch, and making false official statements.

The applicant was given ample opportunity to perform up to the expected standards of all shipmates. The applicant does not dispute the aforementioned events; rather the applicant lists the offenses on the application, and asks that the board consider that the challenging marital and parenting affairs served as a primary catalyst for the inability to perform.

The Board finds no issues with propriety or equity in this case. The Board deemed that the applicant's character of service, reason for separation and reenlistment code are appropriate and should not be changed. The applicant has not substantiated any error or inequity.

The Board does recommend an administrative correction to be made to the applicant's DD214 in Block 15b. The applicant is a high school graduate. The Board unanimously recommends no relief.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Final Adjudication by Assistant Commandant For Human Resources: No relief.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
