Discharge Review Board Discussion and Decision:

DISCUSSION:

The applicant was discharged with an entry level separation due to the inability to adapt during the first 180 days of service.

The applicant claims that have had a moment of weakness during the 18 days while at boot camp. In the application, a readiness exam is provided from a licensed social worker, and a statement that the applicant has engaged with MEPS on the pre-requisite items for re-entry to the service.

The Board finds no issues with propriety or equity in this case.

An uncharacterized character of service is not derogatory in nature, and is the prescribed character for individuals who were separated while at initial accession training. There was no associated conduct to warrant a less desirable character of service.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Final Adjudication by Assistant Commandant For Human Resources: No relief.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
