Discharge Review Board Discussion and Decision:

DISCUSSION:

The applicant was discharged for For The Good Of The Service.

The applicant's complete Personnel Data Record and Separation Package were available for the Board to review.

The applicant was facing Court Martial charges for failing to provide a valid urine sample during a unit urinalysis. This offense followed occurred after the Non-Judicial Punishments.

The Board finds no issues with propriety or equity in this case. The applicant has not provided any new documentation.

The applicant voluntarily requested this discharge via memorandum. The applicant knowingly requested and accepted an 'Other Than Honorable' discharge. The applicant entered into this agreement to avoid further punishment with the impending Court Martial charges. Within a Triable by Court Martial mechanism, the SPD code of KFS is the standard to separate individuals for the 'Good of the Service' with the Under Other Than Honorable character of service.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Final Adjudication by Assistant Commandant For Human Resources: No relief.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
