Discharge Review Board Discussion and Decision:

DISCUSSION:

The applicant was discharged with the Narrative Reason for separation of Physical Standards while at initial training.

After just 1 month of service, it was determined that the applicant would be separated for failing to meet established physical readiness standards.

The Board notes that an uncharacterized character of service is not derogatory in nature and is the prescribed character for individuals who were separated while at initial accession training. In the applicant's record, there was no associated conduct to warrant a less desirable character of service. Lastly, the applicant had less than 180 days of Active service which is the minimum time-in-service standard to be considered for a 'Characterized' discharge.

An RE3 reenry code is not an affirmative recommendation for reenlistment, rather it represents that the applicant is not recommended for reenlistment due to a disqualifying factor. The RE3 code may be waived based upon the policies and needs of the gaining Service.

The Board finds no issues with propriety or equity in this case.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Final Adjudication By Assistant Commandant for Human Resources: The discharge will remain as issued.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
