**Discharge Review Board Discussion and Decision:**

**DISCUSSION:**

The applicant was discharged for Misconduct due to Commission of a Serious Offense. A Coast Guard Investigative Service Report of Investigation concluded that the applicant waived a gun and used lewd language while at a college campus in front of several witnesses. This report also showed false official statements made by the applicant on their whereabouts during the investigation period.

The Board indicates that the applicant was not formally charged for separate actions of purchasing copious amounts of alcohol and tobacco totaling approximately 8K to sell or provide to college students under the legal drinking age.

The Board finds no issues with propriety or equity in this case. The applicant was notified of the intent to discharge, and the applicant was advised of the right to an attorney. The applicant made a statement and objected to the discharge.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Final Adjudication By Assistant Commandant for Human Resources: Concur with Board. No relief.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
