Discharge Review Board Discussion and Decision:

DISCUSSION:

The applicant was discharged for Misconduct due to Involvement with Drugs.

The applicant tested positive for oxymorphone in a random unit drug test. The Board has thoroughly reviewed the urinalysis documents and the chain of custody with the samples provided to military medical center. Nothing executed by the urinalysis coordinator was abnormal or in error. The applicant's command determined this to be a drug incident. Pursuant to policy, the applicant was recommended for Discharge due to a drug incident.

The Board finds no issues with propriety or equity in this case.

The applicant was notified of the intent to discharge, and the applicant was advised of the right to an attorney. The applicant made a statement and unconditionally waived the Administrative Separation Board.

Coast Guard policy prescribes no higher than a General, Under Honorable Conditions character of service for individuals separated as a result of violating the Coast Guard's drug policy. However, consistent with policy the Coast Guard has zero tolerance for drug abuse. The General, Under Honorable Conditions discharge is equitable.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Final Adjudication By Assistant Commandant for Human Resources: Concur with Board. No relief.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
