Discharge Review Board Discussion and Decision:

DISCUSSION:

The applicant was discharged for Entry Level Performance And Conduct after 9 days at initial training.

The applicant signed and administrative remarks entry for refusal to train on. The Board finds no issues with propriety or equity in this case. The applicant has not provided any new supporting documentation.

An uncharacterized character of service is not derogatory in nature and is the prescribed character for individuals who were separated while at initial accession training and there was no associated conduct to warrant a less desirable character of service. Discharges while at initial training that occur within the first 180 days of service do not meet the criteria for a Characterized Discharge.

An RE3 reenry code is not an affirmative recommendation for reenlistment; rather, it represents that the applicant is not recommended for reenlistment due to a disqualifying factor. The RE3 code may be waived based upon the policies and needs of the gaining Service.

RECOMMENDATION: The Board members thoroughly reviewed the applicant's record of service and all available documentation. The Board deemed that the applicant's character of service, reason for separation, and reenlistment code are appropriate and should not be changed. The applicant has not substantiated any error or inequity.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Board Conclusion: The Board voted 5-0 to recommend no relief.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
