Discharge Review Board Discussion and Decision:

DISCUSSION:

The applicant was discharged for Misconduct due to Involvement with Drugs.

A drug test was administered by Coast Guard Investigative Service that produced a positive result. The applicant's command determined this to be a drug incident. The Board finds no issues with propriety or equity in this case. The Board has thoroughly read through the applicant's petition and attorney brief; however, no new evidence has been presented to refute the illegal drug use. The applicant was notified of the intent to discharge, and the applicant was advised of the right to an attorney. The applicant made a statement on behalf and objected to the discharge.

Coast Guard policy prescribes no higher than a General, Under Honorable Conditions character of service for individuals separated as a result of violating the Coast Guard's drug policy. Consistent with policy, the Coast Guard has zero tolerance for drug abuse. The General, Under Honorable Conditions discharge is equitable.

RECOMMENDATION: The Board members thoroughly reviewed the applicant's record of service and all available documentation. The Board deemed that the applicant's character of service, reason for separation, and reenlistment code are appropriate and should not be changed. The applicant has not substantiated any error or inequity.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Board Conclusion: The Board voted 5-0 to recommend no relief.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
