EXECUTIVE SUMMARY:

The applicant was discharged for Entry Level Performance And Conduct in the summer of 2014.

The Board finds no issues with propriety or equity in this case. The applicant was separated with no associated misconduct or stigma while attending recruit training. An Uncharacterized discharge is issued to those individuals unable to complete recruit training with less than 180 days of military service.

An uncharacterized character of service is not derogatory in nature and is the prescribed character for individuals who were separated while at initial accession training and there was no associated conduct to warrant a less desirable character of service.

An RE3 reentry code is not an affirmative recommendation for reenlistment, rather it represents that the applicant is not recommended for reenlistment due to a disqualifying factor. The RE3 code may be waived based upon the policies and needs of the gaining Service.

Propriety: Discharge was proper.

Equity: Discharge was equitable.

Final Adjudication by Assistant Commandant for Human Resources: Concur with Board. No relief.
