**Discharge Review Board Discussion and Decision:**

**DISCUSSION:**

The applicant was separated from the service.

The Board finds no issues with propriety or equity in this case. The applicant had an entry level separation. An Uncharacterized discharge is issued to those individuals unable to complete training with less than 180 days of military service. An uncharacterized character of service is not derogatory in nature and is the prescribed character for individuals who were separated while at initial accession training and there was no associated conduct to warrant a less desirable character of service.

An RE3 reentry code is not an affirmative recommendation for reenlistment, rather it represents that the applicant is not recommended for reenlistment due to a disqualifying factor. The RE3 code may be waived based upon the policies and needs of the gaining Service.

**RECOMMENDATION:**

The Board members thoroughly reviewed the applicant's record of service and all available documentation. The Board deemed that the applicant's character of service, reason for separation and reenlistment code are appropriate and should not be changed. The applicant has not substantiated any error or inequity.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
