Discharge Review Board Discussion and Decision:

DISCUSSION:

The Board thoroughly reviewed Applicant's application. The applicant's complete Personnel Data Record and Separation Documents were not available for the Board to review. The Board utilized available information contained in electronic records and documents submitted by the applicant. The applicant did not submit evidence to refute the Misconduct separation. The Board finds no issues with propriety and equity in this case.

RECOMMENDATION:

The Board members thoroughly reviewed the applicant's record of service or all available documentation. The Board deemed that the applicant's character of service, reason for separation and reenlistment code are appropriate and should not be changed. The applicant has not substantiated any error or inequity.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
