IAW COMDTINST M1000.4 1.B.19 Uncharacterized discharges are authorized for all members separated while in an entry-level status. An uncharacterized discharge is used for all recruit separations in accordance with Article 1.B.19.b. (1) below. Unit Commanding Officer has the authority to award an uncharacterized discharge to recruits in an entry-level status who: (a) Demonstrate poor proficiency, conduct, aptitude, or unsuitability for further service.

The applicant is requesting relief of Block 26, the Separation Code and Block 28 the Narrative Reason for Separation so they can join the Air National Guard.

**RECOMMENDATION:** The Board members thoroughly reviewed the applicant's record of service and all available documentation. The Board deemed that the applicant's reason for separation and reenlistment code are appropriate and should not be changed. The applicant has not substantiated any error or inequity.

In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
