Docket No: 03140-01

Dear Sergeant [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 9 August 2001. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the report of the Headquarters Marine Corps Performance Evaluation Review Board (PERB), dated 18 April 2001, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the report of the PERB. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official

records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF
NAVAL RECORDS

Subj: MARINE CORPS PERFORMANCE EVALUATION REVIEW BOARD (PERB)
ADVISORY OPINION ON BCNR APPLICATION IN THE CASE OF
SERGEANT [REDACTED], USMC

Ref: (a) Sergeant [REDACTED] DD Form 149 of 18 Jan 01
(b) MCO P1610.7E w/Ch 1

1. Per MCO 1610.11C, the Performance Evaluation Review Board, with three members present, met on 2 April 2001 to consider Sergeant [REDACTED] petition contained in reference (a). Removal of the fitness report for the period 991213 to 000113 (FD) was requested. Reference (b) is the performance evaluation directive governing submission of the report.

2. The petitioner contends she failed the physical fitness test (PFT) because she had not been instructed on the proper way to do crunches. To support her appeal, the petitioner furnishes her own statement.

3. In its proceedings, the PERB concluded that the report is both administratively correct and procedurally complete as written and filed. The following is offered as relevant:

a. At the outset, the Board emphasizes that the petitioner has done nothing more than provide a second rebuttal to an issue that has already been officially resolved. In his adjudication, the Reviewing Officer specifically stated that prior to taking the PFT, all DI School students, including the petitioner, were provided a demonstration of how to properly execute the crunch.

b. To justify the deletion of a fitness report, evidence of error or injustice should be produced. Such is simply not the situation in this case.

4. The Board's opinion, based on deliberation and secret ballot vote, is that the contested fitness report should remain a part of Sergeant [REDACTED] official military record.
