REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 22 Jan 00 w/attachments
(2) HQMC MMR memo dtd 30 Apr 01 w/encl
(3) HQMC MMOA-4 memo dtd 27 Apr 01
(4) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the fitness report for 1 July 1998 to 19 April 1999, a copy of which is at Tab A. As indicated in enclosure (2), the Headquarters Marine Corps (HQMC) Performance Evaluation Review Board (PERB) has directed removal of the contested fitness report. Petitioner further requested removal of his failure of selection before the Fiscal Year 2002 Colonel Selection Board, so as to be considered by the selection board next convened to consider officers of his category for promotion to the grade of colonel as an officer who has not failed of selection to that grade.

2. The Board, consisting of Messrs. Ivins and Pauling and Ms. Humberd, reviewed Petitioner's allegations of error and injustice on 3 May 2001, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (3), the HQMC office having cognizance over the subject matter of Petitioner's request to strike his failure of selection for promotion has commented to the effect that this request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (3), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

- a. That Petitioner's record be corrected so that he will be considered by the earliest possible selection board convened to consider officers of his category for promotion to colonel as an officer who has not failed of selection for promotion to that grade.
- b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.
- c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

Ref: (a) MCO 1610.11C

1. Per the reference, the Performance Evaluation Review Board has reviewed allegations of error and injustice in your Naval record. Having reviewed all the facts of record, the Board has directed that your Naval record will be corrected by removing therefrom the following fitness report:

<u>Date of Report</u>	<u>Reporting Senior</u>	<u>Period of Report</u>
29 Aug 99	Col [REDACTED]	980701 to 990419 (TR)

2. There will be inserted in your Naval record a memorandum in place of the removed report. The memorandum will contain appropriate identifying data concerning the report and state that it has been removed by direction of the Commandant of the Marine Corps and cannot be made available in any form to selection boards and reviewing authorities. It will also state that such boards may not conjecture or draw any inference as to the nature of the report or the events which may have precipitated it, unless such events are otherwise properly a part of the official record. The Automated Fitness Report System (the data base which generates your Master Brief Sheet) will be corrected accordingly.

3. The Commandant of the Marine Corps is not empowered to grant or deny the removal of failure(s) of selection from a Naval record. Accordingly, your case will be forwarded to the Board for Correction of Naval Records (BCNR) for consideration of that issue.

Subj: BCNR PETITION FOR LIEUTENANT COLONEL [REDACTED]
[REDACTED] USMC

Ref: (a) MMER Request for Advisory Opinion in the case of
Lieutenant Colonel [REDACTED] USMC
of 17 Apr 01

1. Recommend approval of Lieutenant Colonel [REDACTED] request for removal of his failure of selection.
2. Per the reference, we reviewed Lieutenant Colonel [REDACTED] record and petition. Lieutenant Colonel [REDACTED] failed selection on the FY02 USMC Colonel Selection Board. Subsequently, he successfully petitioned the Performance Evaluation Review Board for removal of the Transfer fitness report of 980701 to 990419 from his record. Lieutenant Colonel [REDACTED] requests removal of his failure of selection for promotion to Colonel.
3. In our opinion, the petitioned fitness report does present serious competitive concern to the record and removal of the report enhances the competitiveness of the record. While we recognize the record contains other areas of competitive concern, we believe Lieutenant Colonel [REDACTED] should be afforded the benefit of the doubt and have his failure of selection removed.
