

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON, D.C. 20370-5100

LCC:ddj
Docket No: 3819-00
17 October 2000

[REDACTED]

Dear COMMANDER [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 17 October 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by NAVSUPSYSCMD memorandum 4050 SER 53C/191 of 19 September 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

(2) Subject's Microfiche File

1. In response to reference (a), we have reviewed enclosure (1). Enclosures (1) and (2) are returned.
2. Our review concluded that despite whatever he was or was not told by the Personal Property Office at Naval Station Roosevelt Roads, [REDACTED] shipped more than his prescribed weight allowance and is liable for the resulting excess costs. Research showed he also exceeded his weight allowance when he moved to Puerto Rico in 1996 but was never billed for those costs. There is no legal basis to waive his current 17,500-pound weight limit, and he should promptly repay the \$945.19 debt.
3. We do not recommend favorable Board action.
