BOARD FOR CORRECTION OF NAVAL RECORDS

2 NAVY ANNEX

WASHINGTON DC 20370-5100 CRS

Docket No: 6337-00

6 August 2001

From: Chairman, Board for Correction of Naval Records

To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 w/attachments

(2) Case Summary

(3) Subject's naval record

- 1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Naval Reserve, filed enclosure (1) with this Board requesting, in effect, that his naval record be corrected to show a more favorable type of discharge than the general discharge issued on 20 August 1951.
- 2. The Board, consisting of Ms. Gilbert, Mr. Ivins, and Mr. Neuschafer, reviewed Petitioner's allegations of error and injustice on 18 July 2001 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.
- 3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:
- a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.
- b. Although it appears that enclosure (1) was not filed in timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.
- c. Petitioner enlisted in the Naval Reserve on 9 April 1947 after more than three months of prior active service. At that time, Petitioner reported that he had a wife and three children.
- d. On 28 March 1951 Petitioner filled out a dependency form that correctly stated that he had four dependents.
  - e. On 28 June 1951 Petitioner was informed that he was not

eligible for active duty if he had four dependents. However, he could submit an affidavit stating that four dependents would not constitute a hardship. While his response is not in the record, it appears that he did not submit the required affidavit. Subsequently, on 20 August 1951 he received a general discharge by reason of convenience of the government. Petitioner was not assigned any marks during this period of service.

## CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants favorable action. In this regard, the Board notes that Petitioner never concealed the fact that he had four dependents. Further, since there is no adverse action in his record, the Board does not believe his record warranted the characterization that he received. Based on the foregoing, the Board concludes that the discharge should be recharacterized to honorable.

In view of the foregoing, the Board finds the existence of an injustice warranting the following corrective action.

## RECOMMENDATION:

- a. That Petitioner's naval record be corrected to show that he was issued an honorable discharge by reason of convenience of the government on 20 August 1951 vice the general discharge issued on that date.
- b. That a copy of this Report of Proceedings be filed in Petitioner's naval record.
- c. That, upon request, the Veterans Administration be informed that Petitioner's application was received by the Board on 18 September 2000.
- 4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
