

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

JLP:ddj
Docket No: 2895-02
24 September 2002

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 24 September 2002. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CNO memorandum 5420 N130D1/02U0468 of 28 August 2002, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF
NAVAL RECORDS

Subj: COMMENT AND RECOMMENDATION IN THE CASE OF PETTY OFFICER
[REDACTED]

Encl: (1) BCNR case file #02895-02 without a microfiche service record

1. The following provides comment and recommendation on Petty Officer Frank's petition.
2. N130 recommends denial of Petty Officer [REDACTED]'s petition for an Enlistment Bonus (EB).
3. Petty Officer [REDACTED] entered the Navy through the Delayed Entry Program (DEP) on 8 May 2000, volunteered for the Advanced Electronic Computer Field Program Guarantee, and signed a contract for a \$30,000 Navy College Fund (NCF). On 7 July 2000, Petty Officer [REDACTED] signed an Annex "B" to DD Form 4, reclassifying to the Nuclear Field Program and signing a contract for a \$40,000 NCF. Petty Officer [REDACTED] shipped to Recruit Training Command on 6 September 2000. In his petition, Petty Officer [REDACTED] requests favorable action that would allow payment of a \$4,000 EB.
4. EB is not an entitlement, but a recruiting tool used at the discretion of recruiters and classifiers to entice individuals to enlist in critical skills. The EB program is budgeted based on quotas provided by the Commander, Navy Recruiting Command and the Enlisted Community Managers, not by the number of "A" School accession seats. Every recruit is not offered nor receives an EB. EB is guaranteed by an EB entry in Annex "A" to DD Form 4. In Petty Officer [REDACTED] enlistment contract, Annex "B" superceded the Annex "A" and indicates he declined an enlistment bonus and declined the NCF/EB combo. Petty Officer [REDACTED] does not have an EB contract in his service record and therefore is not entitled to an EB.
5. BCNR case file is returned herewith as enclosure (1).

1,
Subj: COMMENT AND RECOMMENDATION IN THE CASE OF PETTY OFFICER
