(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show entitled to receive Basic Allowance for Housing (BAH) for his prior duty station.

2. The Board, consisting of Messrs. McPartlin, Pfeiffer, and Ms. McCormick, reviewed Petitioner's allegations of error and injustice on 19 November 2002 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. BuPers order 0352 issued in February 2002 which reassigned Petitioner the NAVCRUITDIST Jacksonville, FL was modified on 4 March 2002 to delete all funding authorization from the order reassigning Petitioner to the USS Wyoming SSBN 742 (Gold), Kings Bay, GA. The funding authorization was deleted because the reassignment was considered to be within the same geographical area and in accordance with the Joint Federal Travel Regulations Petitioner was not authorized travel of dependents or shipment of households when being reassigned within the same geographical area.

b. Petitioner was authorized payment of BAH for his prior duty station which was the NAVCRUITDIST, Jacksonville, FL effective 17 September 2002.

c. That a copy of this Report of Proceedings be filed in Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
