Docket No: 10564-02

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on May 6, 2003. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CNO memorandum 5420 N130D1/03U0298 of 17 April 2003, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

Subj: COMMENT AND RECOMMENDATION IN THE CASE OF [REDACTED]

Encl: (1) BCNR case file #10564-02

1. The following provides comment and recommendation on Seaman [REDACTED] petition.
2. N130 recommends disapproval of on Seaman [REDACTED] petition for an Enlistment Bonus (EB).
3. Seaman [REDACTED] entered the Delayed Entry Program (DEP) on 20 March 2002 and volunteered for Seafarer Seaman Apprentice Training Program Guarantee. Seaman [REDACTED] received a \$3,000 EB. He requests favorable action that would allow payment of an EB College Kicker.
4. EB is not an entitlement, but a recruiting tool used at the discretion of recruiters and classifiers to entice individuals to enlist in critical skills. The EB program is budgeted based on quotas provided by the Commander, Navy Recruiting Command and the Enlisted Community Managers, not by the number of "A" School accession seats. An EB College Kicker is an EB and is governed under the preceding rules. Every recruit is not offered nor receives an EB or an EB College Kicker. Seaman [REDACTED] does not have an EB College Kicker contract in his service record and therefore is not entitled to an EB College Kicker.
5. BCNR case file is returned herewith as enclosure (1).
