BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

CRS  
Docket No: 662-03  
23 July 2003

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

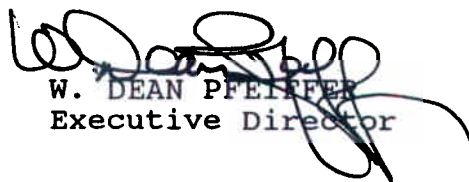

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 23 July 2003. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by Headquarters Marine Corps dated 24 January 2003, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records.

Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF  
NAVAL RECORDS

Subj: BCNR APPLICATION IN THE CASE OF FORMER LANCE CORPORAL  
[REDACTED]

Encl: (1) [REDACTED] DD Form 149 of 9 Jan 2003

1. Mr. [REDACTED] service record has been reviewed and it has been determined that his reenlistment code of RE-3P was correctly assigned. The reenlistment code was assigned based on his overall record and means that he did not meet the physical/medical standards for reenlistment at the time of separation.
2. [REDACTED] was honorably discharged on September 26, 2001 by reason of Condition Not a Disability. A review of his service record indicates that he was counseled concerning Bilateral Flat Feet, and not being recommended for promotion. The disciplinary portion of the record shows that he received two nonjudicial punishments under the Uniform Code of Military Justice for being absent from his appointed place of duty.
3. [REDACTED] received a waiver for Bilateral Flat Feet to enter the Marine Corps in April 1999. He experienced unrelenting pain in both feet with hikes and runs. A podiatrist evaluation determined that his condition was not operative, not a disability, but impeded his suitability for Marine Corps service.
4. After a review of all relevant information, this Headquarters concurs in the professional evaluation of [REDACTED] qualifications for reenlistment at the time of separation. Once a code is correctly assigned it is not routinely changed or upgraded as a result of events that occur after separation or based merely on the passage of time.
5. The enclosure is returned for final action.
