

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 9695-08
25 March 2009

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 29 January 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

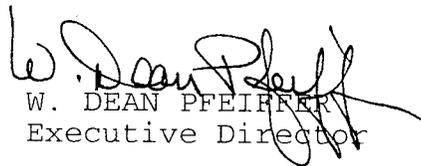

The Board found that you enlisted in the Marine Corps on 15 May 1945. On 15 February 1947 you were injured in a car accident. On 30 October 1947 your commanding officer recommended your separation due to your proposing a homosexual act with a prisoner in the brig and admitting to other homosexual acts. A summary court-martial convened on 15 November 1947 and you were found guilty of sitting down on post. You received an undesirable discharge by reason of unfitness due to habits and traits of character on 5 December 1947.

In its review of your application the Board carefully weighed all potentially mitigating factors, such as your youth, overall service, and the contention that your problems started after your car accident. The Board concluded that those factors were insufficient to warrant recharacterization of your service. In this regard, the Board noted that current policy provides that the characterization of service for individuals discharged for homosexuality will not normally be under other than honorable conditions; however, such a characterization is authorized for individuals who solicit others to commit homosexual acts while on a military installation, as you did. There is no evidence, and you have presented none, that your misconduct was related to the

car accident. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
