1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show he was awarded two years of entry grade credit (EGC) for his master's of science degree in physical therapy.

2. The Board, consisting of Messrs. Grover, McBride and Sproul, reviewed Petitioner's allegations of error and injustice on 11 March 2010, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence at enclosure (2), the offices within the Bureau of Medicine and Surgery, Navy Personnel Command and Bureau of Naval Personnel with cognizance over the subject matter of Petitioner's case have commented to the effect he

should be awarded one year of EGC for his master's degree, changing his lieutenant date of rank from 25 May 2006 to 25 May 2005.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error and injustice warranting the following limited corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected, where appropriate, to show the date of rank on his commission as a lieutenant, Medical Corps, U. S. Navy as 25 May 2005, rather than 25 May 2006; and that his lineal precedence be adjusted accordingly.

b. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

d. That the remainder of Petitioner's request be denied.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
