

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

  
Docket No. 7063-09  
8 Sep 09

  
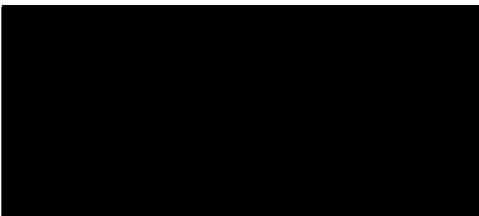

Dear 

This is in reference to your application for correction of your naval record, pursuant to the provisions of 10 USC 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 8 September 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CNRC memo 1133 Ser N5312/09060 of 11 Aug 09, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is also important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

MEMORANDUM FOR EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF NAVAL RECORDS

Subj: ADVISORY OPINION ICO [REDACTED]

Ref: (a) COMNAVCRUITCOM 052050Z JUL 06

1. Petitioner has applied to the Board for Correction of Naval Records (BCNR) seeking to have member's Navy record changed to include the Loan Repayment Program (LRP). This memorandum provides a recommendation for the Board regarding the petitioner's application.
2. Following review of Ref (a), the Personalized Recruiting for Immediate and Delayed Enlistment (PRIDE) database, it is our opinion that the records in this case do not sufficiently corroborate the petitioner's claim. Petitioner provides DD Form 2366, which is not the official form guaranteeing entitlement to LRP. LRP is not listed in either DD Form 1966 or Annex A to DD Form 4 (official form). Petitioner needs to provide amplifying information that prior to enlistment, she was entitled to LRP or Recruiter/Classifier error caused the injustice. Accordingly, we recommend the Board deny the petitioner's request.
3. Point of contact is I [REDACTED] email, [REDACTED]. Our mailing address is Navy Recruiting Command (N531), [REDACTED] 38054. [REDACTED]
