BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

JRE

Docket No. 07792-09
22 December 2009

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 17 December 2009. After careful consideration of your application, the Board concluded that your request for correction of the rank in which you were discharged in 1978 was not timely filed, and that it would not be in the interest of justice to excuse your failure to submit your application in a timely manner. In addition, the Board concluded that you failed to submit any new material evidence or other matter in support of your request for reconsideration of your application for correction of your record to show that you were retired by reason of physical disability; accordingly, the Board denied that request. The names and votes of the members of the panel will be furnished upon request.

You may request reconsideration of the Board's decisions. Your request must include newly discovered relevant evidence which was not reasonably available to you when you submitted your application. The evidence may pertain to the timeliness of your application or to its merits. Absent such additional evidence,

further review of your application is not possible.

It is regretted that a more favorable reply cannot be made.

Sincerely,

W. DEAN PFEIFFER
Executive Director
