

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

SJN
Docket No: 04923-09
2 March 2010

[REDACTED]

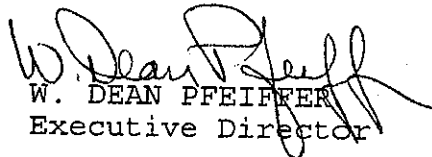

This is in reference to your application for correction of your ,
naval record pursuant to the provisions of title 10 of the United
States Code, section 1552.

A three-member panel of the Board for Correction of Naval
Records, sitting in executive session, considered your
application on 2 March 2010. Your allegations of error and
injustice were reviewed in accordance with administrative
regulations and procedures applicable to the proceedings of this
Board. Documentary material considered by the Board consisted of
your application, together with all material submitted in support
thereof, your naval record, and applicable statutes, regulations,
and policies. In addition, the Board considered the advisory
opinion furnished by Headquarters Marine Corps, dated 5 June
2009, a copy of which is attached.

After careful and conscientious consideration of the entire
record, the Board found the evidence submitted was insufficient to
establish the existence of probable material error or injustice.
In this regard, the Board substantially concurred with the
comments contained in the advisory opinion. Accordingly, your
application has been denied. The names and votes of the members
of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that
favorable action cannot be taken. You are entitled to have the
Board reconsider its decision upon submission of new and material
evidence or other matter not previously considered by the Board.
In this regard, it is important to keep in mind that a
presumption of regularity attaches to all official records.
Consequently, when applying for a correction of an official naval
record, the burden is on the applicant to demonstrate the
existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

Enclosure
