

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TAL
Docket No: 8937-09
11 June 2010

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 9 June 2010. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 3 March 1978 at age 18. You received nonjudicial punishment (NJP) on five occasions for four instances of disobeying a lawful order, smoking on the weather deck, wrongful use and possession of marijuana, being in an unauthorized space and unauthorized absence (UA) from your unit. On 30 March 1981, you were convicted by summary court-martial for possession of marijuana. After your third NJP, you were counseled regarding your misconduct and warned that further offenses could result in administrative separation. You were notified of pending administrative discharge processing with an other than honorable (OTH) discharge due to misconduct (drug abuse). You waived all of your procedural rights, including your right to an administrative discharge board (ADB). On 8 May 1981, the separation authority directed an OTH discharge by reason of misconduct due to drug abuse. On 20 May 1988 you were so discharged.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board concluded

these factors were not sufficient to warrant recharacterization of your discharge given the seriousness of your misconduct. Finally, the Board found that you waived the right to an ADB, your best opportunity for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
