

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

TJR  
Docket No: 9674-09  
22 July 2010

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 20 July 2010. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

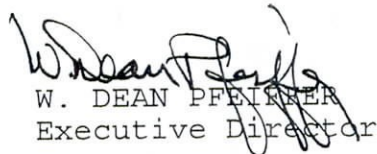

You enlisted in the Marine Corps on 23 February 1981 at age 21 and served without disciplinary incident until 7 September 1982, when you received nonjudicial punishment (NJP) for damaging government property and failure to go to your appointed place of duty. Nearly 10 months later, on 25 July 1983, you received NJP for wrongful use of marijuana. On 25 August 1983 you received your third NJP for absence from your appointed place of duty.

Subsequently, you were notified of pending administrative separation action by reason of misconduct due to drug abuse. After waiving your procedural rights to legal counsel and an administrative discharge board (ADB), your commanding officer recommended discharge under other than honorable conditions by reason of misconduct due to drug abuse. The discharge authority approved this recommendation and directed separation under other than honorable conditions by reason of misconduct due to drug abuse, and on 2 December 1983 you were so discharged.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your youth, post service conduct, and desire to upgrade your discharge. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge because of the seriousness of your repetitive misconduct which resulted in three NJPs and included drug abuse. Finally, you were given an opportunity to defend your actions, but waived your procedural right to present your case to an ADB. Accordingly, your application has been denied.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
