CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

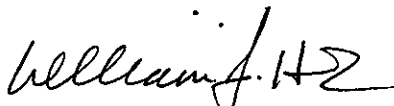

That Petitioner's naval record be corrected, where appropriate, to show that:

a. She was enlisted in paygrade E-3, vice E-1, effective 18 September 2007 (Active Duty Service Date). Petitioner met the advanced paygrade criteria based on three years of JROTC. (NOTE: The change in the effective date of advancement to E-3 may also impact on Petitioner's E-4 advancement opportunity. If Petitioner was eligible for the E-4 examination but did not take it because the above change had not been made, the following procedures will apply. Petitioner should take the next available E-4 advancement examination and compare the Final Multiple Score (FMS) received on that examination with the FMS that was required for the "missed" examination. If the score received meets or exceeds the score that was previously required for advancement Petitioner may reapply to the Board for consideration of advancement to E-4 retroactive to the date he would have been advanced on the "missed" examination cycle. A DD Form 149, command endorsement/recommendation and a copy of this letter must be included. The Board will determine whether the request will be approved.)

b. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true complete record of the Board's proceedings in the above entitled matter.
