REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 9 Sep 09 w/attachments  
(2) Subj's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed written application, enclosure (1), with this Board requesting, in effect, that his naval record be corrected to by setting aside his discharge from active duty on 25 November 2009 due to high year tenure as a second class petty officer, pay grade E-5, and showing that he was extended on active duty until 20 March 2010.

2. The Board, consisting of Messrs [REDACTED] and [REDACTED] reviewed allegations of error and injustice on 15 December 2009, and pursuant to its regulations, determined that relief should be granted. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies which were available under existing law and regulations within the Department of the Navy.

b. Petitioner was discharged from active duty on 25 November 2009 with 13 years, 11 months, and 29 days of service, due to high year tenure as a second class petty officer. On 30 November 2009, he was notified that he was selected for promotion to first class petty officer, pay grade E-6. This promotion would allow him to continue his career on active

duty. He had been previously approved for an extension until 20 March 2010, which was nullified due to him reaching high year tenure as a second class petty officer.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by setting aside his discharge of 25 November 2009, and showing that his current enlistment is extended until 20 March 2010.

b. That his record be corrected further by removing the Defense Department (DD) Form 214 "Certificate of Release or Discharge from Active Duty" which reflects his service through 25 November 2009.

c. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

d. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
