

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

JRE
Docket No. 03654-10
14 February 2011

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 3 February 2011. After careful consideration of your application, the Board concluded that your application was not timely filed, and that it would not be in the interest of justice to excuse your failure to submit your application in a timely manner. It found that you knew in 1978 that you had been separated with entitlement to disability severance pay rather than retired. In addition, it noted that you did not present any evidence that is probative of your contention to the effect that your disability was ratable at 30% or higher at that time.

You may request reconsideration of this decision. Your request must include newly discovered relevant evidence which was not reasonably available to you when you submitted your application. The evidence may pertain to the timeliness of your application or to its merits. Absent such additional evidence, further review of your application is not possible.

Sincerely,

W. DEAN PFEIFFER
Executive Director
