(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that her naval record be corrected to by the removal therefrom of documents pertaining to a pre-service medical condition.

2. The Board, consisting of Messrs. Genteman, Green and Storz, [STOP], reviewed Petitioner's allegations of error and injustice on 2 February 2012 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although the application was not timely filed, the Board finds it to be in the interest of justice to waive the statute of limitations and consider the application on the merits.

c. In correspondence attached as enclosure (2), an official of Headquarters, U.S. Marine Corps, recommended that images 16 through 21 be removed from Petitioner's Official Military Personnel File.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by the removal of images 12 through 21 from her Official Military Personnel File.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.
