

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

BJG
Docket No: 6864-10
9 March 2011

[Redacted]

[Redacted]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 8 March 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You entered active duty in the Marine Corps on 1 August 1980. You received nonjudicial punishment on four occasions for leaving your post before being properly relieved, wrongful possession and use of marijuana, and conduct unbecoming of a Marine by lying in the road and being drunk in camp. You completed Level I drug rehabilitation. You were found to be using drugs on two occasions after completion of rehabilitation, once on the basis of an alleged overdose of lysergic acid diethylamide (LSD). You were notified that your

commanding officer was recommending you for administrative separation with an under conditions other than honorable (OTH) discharge due to misconduct (frequent involvement with military authorities). You waived all of your procedural rights, including your right to an administrative discharge board (ADB). On 30 August 1982, you received an under conditions OTH discharge due to misconduct, and were assigned an RE-4 (not recommended for retention) reenlistment code.

In its review of your application, the Board carefully weighed all potentially mitigating factors, such as your youth. The Board concluded, however, that your discharge should not be upgraded due to your numerous acts of misconduct. The Board found that you waived your right to an ADB, your best opportunity for retention or a better characterization of service. You are advised that no discharge is upgraded due merely to the passage of time or post service good conduct. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
