Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 11 Aug 10 w/attachments  
(2) PERS-80 memo dtd 15 Sep 10

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show the lineal position, date of rank, and effective date in the grade of lieutenant commander, she would have been assigned had she been selected for promotion to that grade by the Fiscal Year (FY) 10 Reserve Line Lieutenant Commander Selection Board which she missed as a result of administrative error, vice the FY 11 Reserve Line Lieutenant Commander Selection Board. She currently has a lieutenant commander date of rank and effective date of 1 December 2010.

2. The Board, consisting of Messrs. [REDACTED] reviewed Petitioner's allegations of error and injustice on 9 December 2010, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In enclosure (2), the Navy Personnel Command office with cognizance over the subject matter of Petitioner's case has commented to the effect that the request has merit and warrants favorable

action, specifically, adjusting her lieutenant commander date of rank and effective date to 1 June 2010.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected, where appropriate, to show her date of rank and effective date in the grade of lieutenant commander as 1 June 2010, rather than 1 December 2010; and that her lineal precedence be adjusted accordingly.

b. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
