

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

RDZ:ecb
Docket No. 09859-10
29 April 2011

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 26 April 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps on 20 January 1993. Your record shows that you were fully briefed on the Marine Corps' zero tolerance drug policy the violation of which could result in court-martial proceedings and/or administrative separation with an other than honorable discharge (OTH). Unfortunately you were tried and convicted at a special court-martial of wrongfully using marijuana and being disrespectful to a superior. When you were informed that you were being recommended for an OTH you waived your right to an administrative board and received an OTH on 10 November 1996 due to drug use.

In its review of your application the Board concluded that in view of the seriousness of the offense for which you were separated your discharge was proper as issued and should not be changed now as a matter of clemency.

Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
