Docket No. 10787-10  
13 January 2011

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 30 Sep 10 w/attachments

(3) PERS-80 memo dtd 7 Dec 10

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show he accepted his commission in the Navy Reserve with no break in service, and that he retained his original lieutenant date of rank of 1 June 2000.

2. The Board, consisting of Messrs. Chapman, Dunn and Ivins, reviewed Petitioner's allegations of error and injustice on 13 January 2011, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosures (2) and (3), the Navy Personnel Command offices with cognizance over the subject matter of this case have commented to the effect the request has merit and warrants favorable action, specifically, showing Petitioner accepted his Navy Reserve commission on 1 March 2007, rather than

29 February 2008; and that his commission reflected a date of rank of 1 June 2000, rather than 19 April 2001.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosures (2) and (3), the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected, where appropriate, to show he accepted his commission in the Navy Reserve on 1 March 2007, rather than 29 February 2008.

b. That his record be corrected further to show the lieutenant date of rank on his commission as 1 June 2000, rather than 19 April 2001; and that his lineal precedence be adjusted accordingly.

c. That his anniversary date and pay entry base date be adjusted accordingly.

d. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

e. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
