Encl: (1) DD Form 149

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, requests correction of his record as indicated in enclosure (1).

2. The Board, consisting of Messrs. [REDACTED] and [REDACTED] reviewed Petitioner's allegations of error and injustice on 28 October 2010 and, pursuant to its regulations, determined that the action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Enclosure (1) was filed in a timely manner.

b. Petitioner's case is within the category of cases covered by reference (b).

c. Petitioner did not consent to the release of his Department of Veterans Affairs records to the Board.

CONCLUSION:

Upon review and consideration of all the evidence of record, and in

accordance with the provisions of reference (b), the Board directs the partial corrective action indicated below.

As Petitioner did not submit any documentary evidence in support of his application, or consent to the release of his Department of Veterans Affairs (VA) records to the Board, and as he failed to demonstrate that his condition was ratable above 10% disabling in accordance with the provisions of 38 Code of Federal Regulations part 4.130 six months after the date of his discharge, there is no basis for correcting his record to show that his name was retained on the TDRL for longer than six months, or that he was permanently retired by reason of physical disability.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that his name was placed on the Temporary Disability Retired List on 16 May 2006 in accordance with the provisions of 10 U.S.C. 1202 with a disability rating of 50% for posttraumatic stress disorder under VA code 9411, provided that such action does not adversely affect his total compensation, including but not limited to combat-related special compensation, and that his record be further corrected to show that he was discharged by reason of physical disability on 15 November 2006 in accordance with the provisions of 10 U.S.C. 1203, with a disability rating of 10% under VA code 9411.

b. That no further relief be granted.

c. That a copy of this Report of Proceedings be filed in Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

(a), has been approved by the Board on behalf of the Secretary of the Navy.
