

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

SJN
Docket No: 00227-12
27 September 2012

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW NAVAL RECORD OF [REDACTED]

Ref: (a) 10 U.S.C. 1552
(b) 10 U.S.C. 654 (Repeal)

Encl: (1) DD Form 149 with attachments
(2) Case summary
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Navy, filed enclosure (1) with this Board requesting, in effect, that his "RE-4" (not recommended for retention) reentry code be changed per reference (b). He also impliedly requested that his Separation Program Designator (SPD) "HRB" and narrative reason for separation "homosexual admission" be changed.

2. The Board, consisting of Messrs. Pfeiffer, Zsalman, and Exnicios, reviewed Petitioner's allegations of error and injustice on 27 September 2012 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner enlisted in the Navy and began a period of active duty on 14 November 2001. On 7 November 2002, he made a statement admitting to being a bisexual. Subsequently, he was administratively processed for separation by reason of homosexuality due to his own admission. His commanding officer forwarded his case and the separation authority directed an

honorable discharge due to convenience of the government by reason of homosexual admission. He was so discharged on 20 December 2002. At that time he was assigned an RE-4 reentry code.

d. Reference (b) sets forth the Department of the Navy's current policies, standards, and procedures for correction of military records following the "don't ask, don't tell" (DADT) repeal of 10 U.S.C. 654. It provides service Discharge Review Boards with the authority to grant requests to change the narrative reason for discharge to "secretarial authority", separation program designator (SPD) code to "JFF", to re-characterize the discharge to honorable and/or request to change the reentry code to an immediately eligible to reenter category of "RE-1J", when the original discharge was based solely on DADT or a similar policy in place prior to enactment of it and there are no aggravating factors in the record, such as misconduct.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of reference (b), the Board concludes that Petitioner's request warrants favorable action in the form of relief.

The Board concludes that based upon his record of service and current Department of the Navy policy as established in reference (b), that relief in the form of his narrative reason for separation be changed to "secretarial authority", SPD be changed to "JFF", and reentry code be changed to "RE-1J".

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that the narrative reason for separation was "secretarial authority" vice "homosexual admission", that his SPD code be changed to "JFF" vice "HRB", and that he was issued an "RE-1J" vice "RE-4" reentry code on 20 December 2002. Additionally, that he be issued a new Certificate of Release or Discharge from Active Duty (DD Form 214) certificate.

b. That a copy of this report of proceedings be filed in Petitioner's naval record.

c. That, upon request, the Department of Veterans Affairs be informed that Petitioner's application was received by the Board on 28 December 2011.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
